

# Dependent Students Verification Worksheet 2021-2022

Your 2021 – 2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called “verification”. The law says that before awarding Federal Student Aid, SCI-Arc may ask you to confirm the information you reported on your FAFSA. The Financial Aid Administrator at your school will compare your FAFSA with the information on this worksheet and any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents and submit this form and other required documents to the Financial Aid Administrator at your school. For questions, contact your Financial Aid Administrator as soon as possible.
